

**FLEXCO**<sup>®</sup>  
AMERICAN-MADE FLOORING

Tuflex<sup>®</sup> Force<sup>®</sup>  
PREMIUM-ENGINEERED  
SPORTS FLOORING

The ONLY brand that's  
Red List Free

# Tuflex® Force®

It's not just an Evolution. It's a Revolution.

All-new Tuflex® is setting higher standards in sustainability, environmental safety and warranty coverage.

## Red List Free\*

The Red List is one list you don't want to be associated with—it's a list of hazardous chemicals that pose proven environmental health risks. These toxins can leach from flooring, have harmful health effects and degrade product performance. Tuflex is now the ONLY sports flooring brand that's free of Red List\* chemicals.

## 100% Recyclable

When you throw sports flooring away, it may not ever go away. Because most of it isn't recyclable. Until now. Tuflex is the ONLY sports flooring that's 100% recyclable with zero waste when reclaimed through the IMPACT recycling program. Learn more at [FlexcoFloors.com/impact](http://FlexcoFloors.com/impact)

## Exceptional Warranty Coverage

All-new Tuflex comes with an exclusive 10-year performance warranty and a lifetime delamination warranty. A unique, permanent vulcanization system ensures the face coat and base layer won't separate, and we guarantee it for the lifetime of the flooring. You get an exceptionally durable, low-maintenance, great-looking floor with superior slip resistance.

Face Coat Available in 13 colors

**FLEXCO®**  
AMERICAN-MADE FLOORING

Tuflex® Force® sources only Red List Free\* recognized materials.

*\*As identified by the International Living-Future Institute.*

What we left out is just as important as what we put in.

### What You Won't Find

- No phthalates
- No PVC
- No cyanates
- No formaldehyde
- No tire-derived crumb rubber

### What You Will Find

- Tough, long-wearing sports flooring engineered to stand up to high-impact, high-traffic use
- The only sports flooring that's 100% recyclable
- An exclusive 10-year performance warranty
- A lifetime delamination warranty—won't delaminate due to a permanent vulcanized bonding system
- An industry-leading 3/8" gauge profile for maximum comfort and durability
- Sports flooring that exceeds OSHA and ADA recommendations for traction

Tuflex® Force® meets the most stringent indoor air-quality emissions standards.

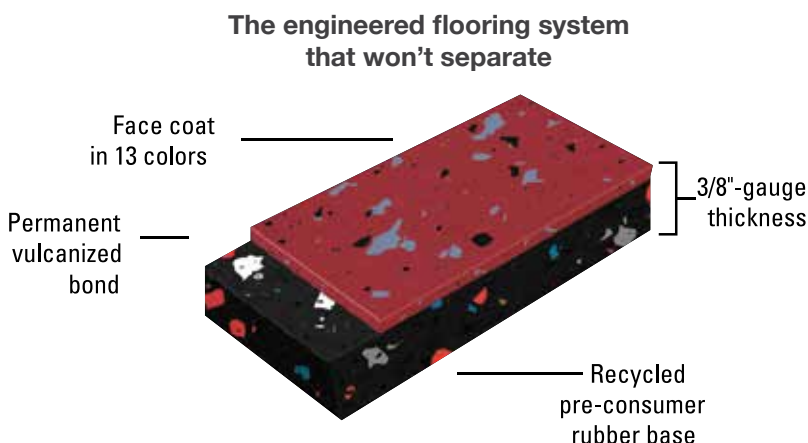

Tuflex® Force® qualifies for LEED credits.  
*Vulcanized Bonding Process Improves Floor Performance.*

In fact, it exceeds OSHA and ADA standards for excellent traction and durability.

FLEXCO® Tuflex® Force® is guaranteed for both performance and anti-fading in accordance with ASTM F1515 industry standards.

Conforms to SCS Recycled Content Standard V7-0 for a Minimum 33% Pre-Consumer Recycled Rubber Content.

Tuflex® Force® is 100% recyclable, minimizing its impact on the environment.

## Join the Revolution in Sports Flooring

### Specify All-New Tuflex<sup>®</sup> Force<sup>®</sup>.
