## WOVEN VINYL FLOORING

Specify a look that lasts.

Crosswire Woven Vinyl Flooring achieves the quiet comfort and appeal of carpet with the durability, stain resistance and long-lasting performance of vinyl.

This attractive, textured, low-profile surface is engineered to stand up to the highest design standards and daily wear. A protective layer covers woven polyester threads, creating a textured look that is slip, stain and allergen resistant. Multiple base layers add cushion and resilience, while selvaged edges eliminate fraying.

In addition to resisting wear patterns from daily foot traffic, woven vinyl is easy to clean and disinfect. Across a wide range of commercial environments, Crosswire provides a lasting solution.

### Exceptional design and performance.

- ~ Attractive, textured, low-profile design
- ~ Multilayer construction provides dimensional stability and comfort
- ~ Stain, wear, scratch and slip resistant
- ~ Triple-Defense Waterproof Protection for the warranted life of the product
- ~ Dust, mold and allergen resistant
- ~ Easy to clean and disinfect
- ~ Backed by a 20-Year Limited Commercial Warranty
- ~ 10 on-trend colors that coordinate with Flexco flooring, wall base and stair treads

## Ideal for heavy-use applications.

- ~ Education: classrooms, libraries, hallways, common areas
- ~ Healthcare and Assisted Living Facilities: hallways, patient rooms, eating areas, waiting rooms, doctors' offices
- ~ Corporate: offices, break rooms, lobbies
- ~ Retail: restaurants, stores, service facilities
- ~ Hospitality: hotel corridors, guest rooms, convention areas, cardio/workout areas
- ~ Multilevel Housing: apartment complexes, student housing, short-term residences
